

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)	
HENDERSON COUNTY WATER DISTRICT)	CASE NO. 89-200

O R D E R

On July 18, 1989, Henderson County Water District ("Henderson") filed its revised tariff with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being sufficiently advised, is of the opinion and finds that:

1. Henderson's supplier, city of Henderson ("City"), will increase its rate for wholesale water from \$.643 to \$.75 per 1,000 gallons effective September 1, 1989.

2. Henderson proposes to increase the rates to its customers effective September 1, 1989.

3. During the 12 months ending May 31, 1989, Henderson purchased 443,488,400 gallons of water and sold 337,312,620 gallons.

4. Henderson's calculations are correct and show an increase in the cost of purchased water of \$45,990, resulting in a purchased water adjustment of \$.14 per 1,000 gallons.

5. The purchased water adjustment of \$.14 per 1,000 gallons of water and the rates in Appendix A are fair, just, and reasonable and should be approved.

6. Henderson's tariff is incorrect in that it does not bear the signature of the utility officer authorized to issue the tariff. 807 KAR 5:011, Section 3(5)(c).

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of \$.14 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are approved for services rendered on and after September 1, 1989.

2. Within 30 days of the date the adjusted rates are placed into effect, Henderson shall file its revised tariff in accordance with Finding 6 herein.

3. Within 30 days of the date the adjusted rates are placed into effect, Henderson shall file a copy of the notice to its customers and verification that such notice has been given.

Done at Frankfort, Kentucky, this 26th day of July, 1989.
